DEAR SIR(S)

I/we unconditionally and irrevocably apply to become an investor in the fund(s) selected above, on the terms and conditions of the Offering Memorandum of the fund(s) selected above, a copy of which we have already received and read. We understand that you may reject this application;

I/we irrevocably and unconditionally commit the above investment amount(s) as committed capital to the fund(s);

Your acceptance of this application form shall ipso facto constitute us as an investor in the Fund(s) on the terms and conditions as set out in the Offering Memorandum, as if I/we were a party to the Offering Memorandum, in which event we shall be deemed to be investors in the Fund(s) and bound by the Offering Memorandum and the memorandum and articles of association of the Fund, as amended from time to time;

I/we have read and understand the Risk Warnings Statement contained in the Offering Memorandum of the selected fund(s);

I/we accept and confirm that our application to become an investor in the fund(s) or to make a further investment therein is made solely and only on the basis of the Offering Memorandum issued by or on behalf of the fund relating to investments into the Fund(s), as amended from time to time, and as defined therein. Our application is not made in reliance on any other information, representations or warranties, whether express or implied, whether oral or written, whatsoever. We understand and confirm that we have evaluated the risks connected with becoming an investor in the fund(s) or to make a further investment therein, as may be applicable;

I/we agree to provide to the Fund(s) or its agents upon request, any documentation or other information regarding me/us and our beneficial owners (if applicable) that the Fund(s) or its agents may require from time to time in connection with the obligations of the Fund(s) under, and compliance with, applicable laws and regulations including, but not limited to FATCA/CRS;

In consideration of the Administrator processing this Investor Form and the Fund(s) making a provisional allotment of Participating Shares, I/we hereby agree to indemnify and hold harmless the Fund(s), the Administrator, the Directors of the Fund(s) and the Investment Manager against any loss, costs or expenses incurred by it or them as a result of my/our failure to pay the required subscription monies for the application of Participating Shares within the time required by the fund documents;

I/we agree to comply with all tax, anti-money laundering and exchange control reporting requirements imposed on me/us by any applicable jurisdiction in connection with this Investor Form. Any such report and the disclosures therein shall not be treated as a breach of any confidentiality restriction;

I/we acknowledge that any wire transfers of the proceeds of any distributions or redemptions sent to the financial institution indicated by me/us will constitute payment to me/us and relieve the Fund(s) of any further obligation to me/us with respect to the amounts so paid and the Participating Shares thereby redeemed. I/we release the Fund(s) from any further obligation with respect thereto;

I/we represent and warrant that I/we have all requisite power, authority and capacity to acquire and hold the Participating Shares and to execute, deliver and comply with the terms of this Investor Form and any documents to be delivered hereunder, and such execution, delivery and compliance does not conflict with, or constitute a default under, any instruments governing or binding on me/us or any law, regulation or order or any agreement to which I am/we are a party or by which I/we may be bound;

I/we further acknowledge that the Fund(s) and the Investment Manager may take such action as each of them considers necessary in relation to our holding and/or redemption proceeds to ensure that any withholding tax payable by the Fund(s), and any related costs, interest, penalties and other losses and liabilities suffered by the Fund(s), the Administrator, or any other investor, or any agent, delegate, employee, director, officer or affiliate of any of the foregoing persons, arising from our failure to provide any requested documentation or other information to the Fund, including in connection with FATCA/CRS, is economically borne by me/us;

By executing this agreement, I/we waive any provision under the laws and regulations of any jurisdiction that would, in the absence of such waiver, prevent or inhibit the compliance by the Fund(s) with applicable law as described in the above paragraph including, but not limited to preventing (i) me/us from providing any requested information or documentation, or (ii) the disclosure by the Fund(s) or its agents of the provided information or documentation to applicable governmental or regulatory authorities;

I/we acknowledge that I/we have read and understood the Cayman Islands Privacy Notice attached hereto which explains the manner in which the Fund(s) will collect and maintain personal information about the subscriber and, if applicable, individuals connected to the subscriber pursuant to the Data Protection Law, 2017 of the Cayman Islands (the "DPL"), the contents of which shall be deemed to be incorporated herein by reference in its entirety. Account Holder means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

- (e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, and providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an NFFE shall not qualify for this status if the NFFE functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution; provided, that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

- 5) *The applicable laws of the Entity's country of residence or the Entity's formation documents require that, upon the Entity's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the Entity's jurisdiction of residence or any political subdivision thereof.*

CODE

Code means the U.S Internal Revenue Code of 1986, as amended.

CONTROLLING PERSON

Controlling Person means the natural persons who exercise direct or indirect control over an entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term 'Controlling Persons' shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations ("FATF").

FATF Recommendations on Controlling Persons:

Identify the beneficial owners of the customer and take reasonable measures to verify the identity of such persons, through the following information. For legal persons²¹:

- (a) The identity of the natural persons (if any – as ownership interests can be so diversified that there are no natural persons (whether acting alone or together) exercising control of the legal person or arrangement through ownership) who ultimately have a controlling ownership interest²² in a legal person; and
- (b) To the extent that there is doubt under (a) as to whether the person(s) with the controlling ownership interest are the beneficial owner(s) or where no natural person exerts control through ownership interests, the identity of the natural persons (if any) exercising control of the legal person or arrangement through other means.
- (c) Where no natural person is identified under (a) or (b) above, financial institutions should identify and take reasonable measures to verify the identity of the relevant natural person who holds the position of senior managing official.

²¹ Measures (a) to (b) are not alternative options, but are cascading measures, with each to be used where the previous measure has been applied and has not identified a beneficial owner.

²² A controlling ownership interest depends on the ownership structure of the company. It may be based on a threshold, e.g. any person owning more than a certain percentage of the company (e.g. 25%).

ENTITY

Entity means a legal person or a legal arrangement such as a trust.

EXEMPT BENEFICIAL OWNERS

Exempt Beneficial Owners under the US IGA include Government entities, International Organisations, Central Bank, Broad Participation Retirement Funds, Narrow Participation Retirement Funds, Pension Funds of an Exempt Beneficial Owner, and Investment Entities wholly owned by Exempt Beneficial Owners.
